

Dear BRC users

RIKEN BRC Experimental Plant Division is emailing you to get your attention on our resource distribution. Your emailing [plant@brc.riken.jp](mailto:plant@brc.riken.jp) about any item in the announcement is always welcome.

1. New Database Opens

We are pleased to announce that Arabidopsis mutants and transgenic lines are now added to our web database.

[https://plant.rtc.riken.jp/resource/psi/psi\\_list.html](https://plant.rtc.riken.jp/resource/psi/psi_list.html)

2. New Arrival in Web Catalogue –Plant Cultured Cells

We have added seven plant cells to the list of plant cultured cell lines. Tobacco BY-TIPG (RIKEN resource number rpc00062) or Arabidopsis At tom (RIKEN resource number rpc00056) is one of them. They are useful for various research purposes.

3. Conferences and Meetings

a. 29<sup>th</sup> International Conference on Arabidopsis Research ([ICAR2018](#)) is held in Turku, Finland from Jun. 25 to 29. We look forward to seeing you at RIKEN booth in the conference site.

b. Joint Meeting of the 10<sup>th</sup> Asian Network of Research Resource Centers ([ANRRC](#)) is held in Seoul, Korea from Sep. 5-7.

Best regards
