

Dear BRC users

RIKEN BRC Experimental Plant Division is emailing you to get your attention on our resource distribution. Your inquiry about any item in the announcement is always welcome.

1. Revised Website

Web front page of the plant cultured cells <http://epd.brc.riken.jp/en/pcellc> has become easy and kind for users.

2. Plant Cell Line Documentation

We newly placed online manuals of the plant cell lines on https://plant.rtc.riken.jp/resource/cell_line/web_documents/index.html. You can browse the HTML documentation to find more information.

3. Ex-Plant Catalog Updated

We recently disclosed every mutants and transgenic lines in our stock on the Ex-Plant Catalog. Some are useful for studying cytokinin biosynthesis and nitrogen uptake/transport. They were deposited by Dr Hitoshi Sakakibara (former PI at RIKEN CSRS, currently Prof. of Nagoya Univ.) You can check them at https://plant.rtc.riken.jp/resource/psi/psi_list.html?offset. Those who have looked for these lines, please contact plant@brc.riken.jp.

We look forward to hearing from you.

Yours sincerely
