

Dear BRC users

RIKEN BRC Experimental Plant Division is emailing you to get your attention on our resource distribution. Your emailing [plant@brc.riken.jp](mailto:plant@brc.riken.jp) about any item in the announcement is always welcome.

### 1. New Database

[New web database](#) for searching Arabidopsis resources became available. You can search across the entire clone list by entering AGI codes.

The database includes;  
RAFL clones (full-length cDNA)  
Transcription Factor (TF) ORF clones  
TAC clones (genomic DNA fragment)

### 2. Technical Note

We provide protocols of cultured cell lines, Tobacco BY-2 cells, Arabidopsis T87 cells and some other materials (<http://epd.brc.riken.jp/en/qa/resource-handling>).

### 3. Conferences and Meetings

[ICAR2017](#): The 28<sup>th</sup> International Conference on Arabidopsis Research  
St. Louis, USA, Jun. 19-23, 2017  
Please run into the RIKEN booth on the conference site.

[The 3<sup>rd</sup> International Brachypodium Conference](#)  
Beijing, China, Jul. 29-31, 2017

[\(Joint Meeting of the 9<sup>th</sup> Asian Network of Research Resource Centers \(ANRRC\) and International Microbiome Workshop](#)  
Beijing, China, Sep. 20-22, 2017

We would appreciate if you could forward this email to your collaborators and colleagues who may have been looking for a biological material, but not reached the right place. If you are no longer willing to receive our email, please let us know.

We look forward to hearing from you.

Yours sincerely
