

Dear BRC users

RIKEN BRC Experimental Plant Division is emailing you to draw your attention to our resource distribution. Your inquiry about any item in the announcement is welcome.

New Release: Plant Cell Lines

The Experimental Plant Division is pleased to announce the release of two plant cell lines.

For more information, please visit at the Experimental Plant Division homepage. News: "Plant Cell Lines (2025-03-11) <https://epd.brc.riken.jp/en/archives/5930>"

The newly released lines are:

- CrB (rpc00107): Periwinkle suspension cell line
- BY-HR (rpc00109): Transgenic tobacco BY-2 suspension cell line expressing tobacco histone H2B-tdTomato, which visualize the cell nucleus and chromosomes

For inquiries, please contact us at plant.brc@riken.jp.

ICAR2025

International Conference on Arabidopsis Research (ICAR2025) is held in Gent, Belgium, June 16-20. Participant registration is currently open. Please note that early bird registration is available until April 20th.
